This unique property stretches from the coastal road all the way down to the sea. Torre Cesarea is in fact composed of the Tower itself located on a lower level, plus further two living unites. These three units or sectors (**Belvedere, Canonica and Torre**) are connected by magnificent outdoor trails and steps within a context of a perfectly tended

Mediterranean garden with terraces, a beautiful swimming pool area with solarium an open air Jacuzzi pool, a sauna, a gym and of course a private access to the sea on a rock and cement platform.

The property is serviced by very attentive staff who take care of the cleaning, the preparation of meals and assisting in organising side activities such as tours, boat rentals, car transfers etc. All rooms at Torre Cesarea have **air-condition**, direct telephone line, TV with SAT connection and internet connection. Torre Cesarea is the perfect solution for reunions of large families, for any type of celebration, or to be used by firms for business holidays.
