

LEONE II ROME

Leone II is a timelessly classic and elegant apartment situated in the famous fashion district of Rome. Gucci, Prada, Valentino, Armani, Buccellati and Bulgari are just some of the renowned emporia just around the corner. The Trevi Fountain, the Pantheon, and Piazza Navona are also within a few minutes walk.

This apartment is graced with many fine antiques making it the epitome of Italian classical taste. Leone II is the perfect home for the discerning traveler keen to explore the many treasures of the Eternal City in a truly relaxed way. The apartment is located on the second floor of an eighteenth century Roman palazzo and is served by an elevator. It features air conditioning in all rooms.

To the right side of the long entrance corridor two doors open into a very well appointed living room with a dining area and a large fireplace. From there one door goes to the fully equipped kitchen, while another door gives access to the master bedroom suite which features a small balcony, a large closet and a bathroom with bathtub.

On the left of the entrance corridor there is another double bedroom with its en suite bathroom with tub.
